They say
A four-leaf clover
brings happiness

But
Don't tell anyone

Where the clover's
Bloom white flowers

Or how many leaves
from its stem extend

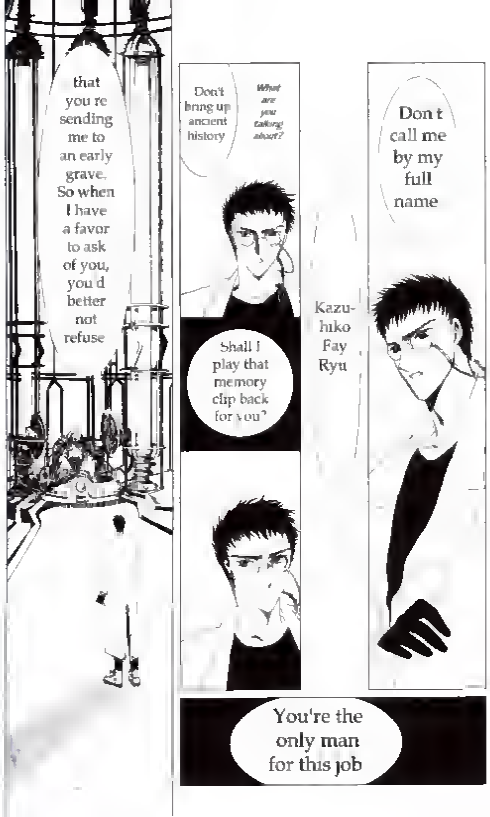
A four-leaf clover

I only want your happiness
But I cannot be yours

『葉』
LEAF
Forget it.

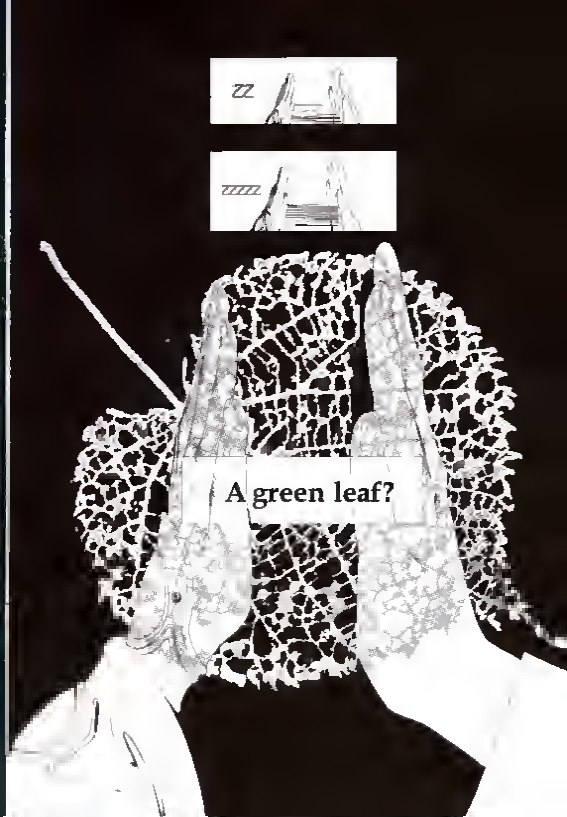
I'm a civilian now
There's no reason to work for the government.
Oh but there is

When you were court-martialed, how many times do you think we pulled strings for you?
I never asked for any favors
We can always have the investigation reopened
Is that a threat?
You feel threatened because you have something to hide
Old Lady
Or should I say General Ko?
You could get any agent
Kazuhiko, I believe I said, after your 6th court-martial...



that you're sending me to an early grave. So when I have a favor to ask of you, you'd better not refuse
Don't bring up ancient history
What are you talking about?
Shall I play that memory clip back for you?
Don't call me by my full name
Kazuhiko Fay Ryu
You're the only man for this job

So, the grand wizard has made her final decision I'm telling you
this is the last time
Give me your hand
I will input your code
Encryption codes
You're going to entrust a civilian
I know you can keep a secret



A green leaf?

Is this an ID crypto gram?

You'll need it for this job

It will dissolve when you finish

And what am I supposed to do?

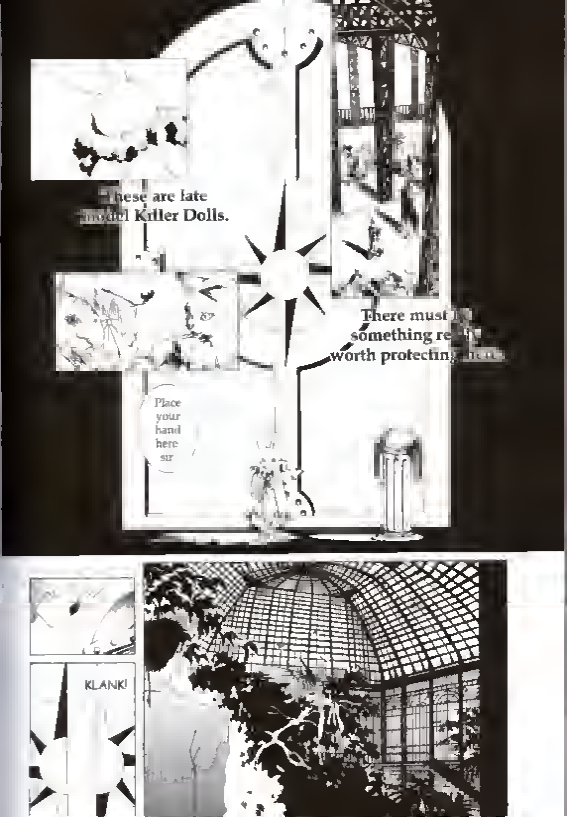
I need you to deliver a package.

I wish for happiness

I seek happiness

To find happiness with you

森の中の小さな翼
TINY WINGS
IN THE FOREST
Bhpi
Creeeeeeaaaaaak
Welcome sir
General Ko told us to expect you

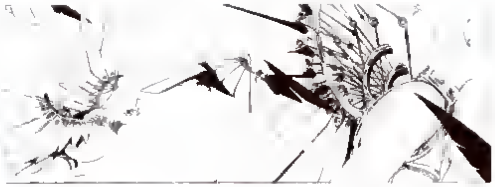


These are late model Killer Dolls.
There must be something re worth protecting
Place your hand here sir
KLANK!

I wish for happiness

I seek happiness

flap flap flap



To find happiness
with you

To be your happiness

...the one who will take me?
Are you..

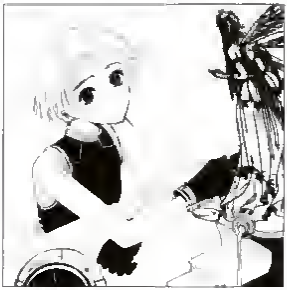
So please

Someplace far away

So why the change of heart?
I thought you hated kids
How about I make you my bitch?
Run that by me again

I said, I'll make YOU my bitch, Gingetsu

I remember you calling Gingetsu a child molestor when he first brought me here
You were just a kid two years ago
I was still older than this child
So, who is she?



Her name is Sue.
I don't know her last name
General Ko is making me take care of her
A General Ko job.
I'm supposed to deliver her
Where?
Somewhere far from here
I don't know
But *she* seems to

It'll be hard leaving the country through legal channels
So that's where Ran comes in
Wait just a minute
I've already accepted
So there's no problem
You're a highly paid commander, Gingetsu What do you need with all that money?
I'm saving for my retirement

♩♫♪♩♪♪.♩♫.♩♩

Take me away

An unbreakable spell
A never-ending kiss
An endless dream
Eternal happiness

Take me away
Make me happy

We're going to Fairy Park

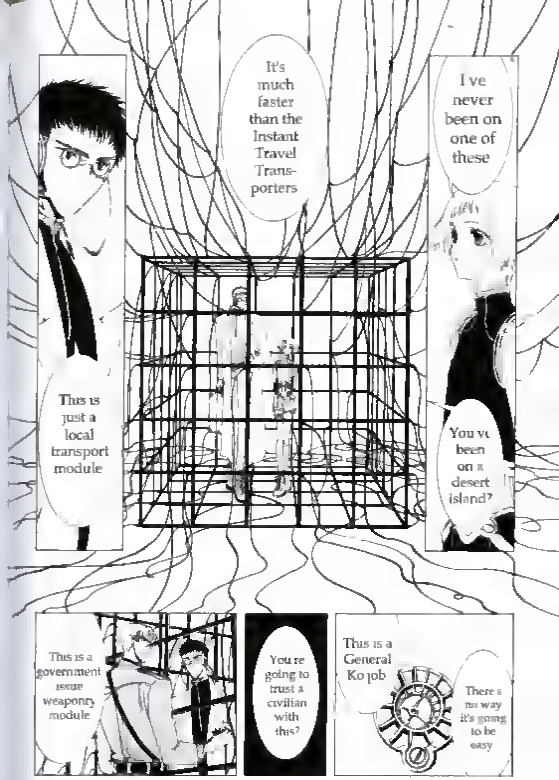
That place? It's run down

『鳥籠』

BIRD CAGE

This transport module has been modified by

...Ran.



It's much faster than the Instant Travel Transporters
I've never been on one of these
This is just a local transport module
You've been on a desert island?
This is a government issue weaponry module
You're going to trust a civilian with this?
This is a General Ko job
There's no way it's going to be easy

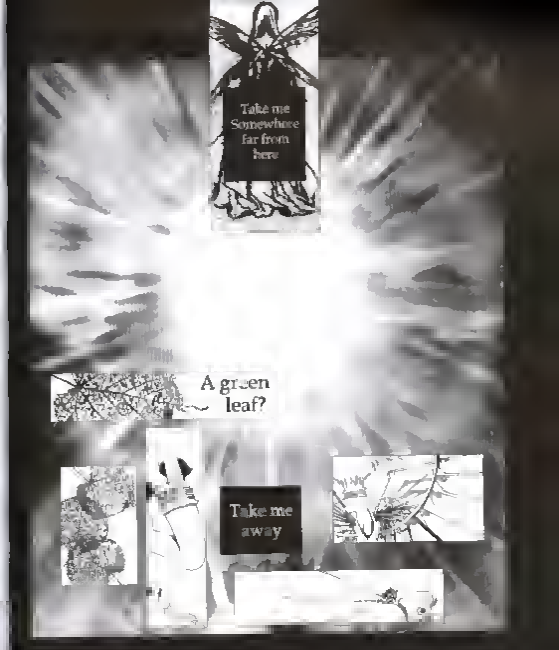
On the last job I lost my left hand. I hope this one's that easy

Thanks. I'll take it.

Please take me there
I believe in you
KLAAANG

We were intercepted
Where did they go?
I'm searching
Who ran that...
...interference?
I'm trying to find out
Gin-getsu

That girl...



An unbreakable spell
A never-ending kiss
An endless dream
Eternal happiness

Take me away

A clover

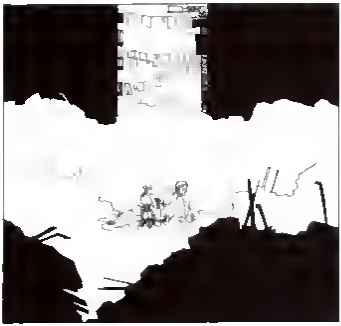
I wish for happiness

No



Don't move.

PIIAZZ©

Are you alright?
Yes
I don't get it Why did they attack us?

huff

Do you want me to carry that?
No I'm alright.

It's artificial
These military issues are top quality
zzzzzzz

THE CAT

『猫』

So you arrived here unintentionally
That's right
When two people go on a date who knows where they'll end up
Do you not wish to answer?
Then
where did you intend to go?
Who knows?
Date?
It appears you have an unwitting partner

Do you like cats?
Yes.
It's real, isn't it?
Real ones are very rare I have it dressed up like a synthetic, to confuse thieves
I'm impressed you saw through it
Meeow!
Meow

You will be our guests while we investigate further
We're in kind of a hurry.
Tao Fa
Please show our guests their rooms

「ラ　ジ　オ」

A RADIO

These walls are 2 inches thick

Locked of course

I heard that the so-called rebel militia Shiao Mao was led by a kid I guess it's true

If we're in Shiao Mao territory, I guess we're still inside the mountain pass

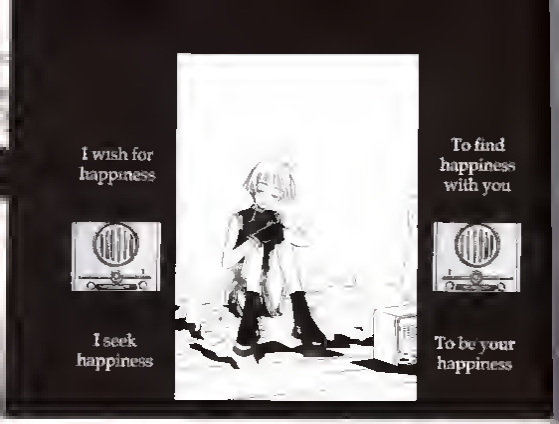
Mountain pass?

We're still this side of the border

You really don't know anything, do you?

Look

I wish for happiness



I wish for happiness
I seek happiness
To find happiness with you
To be your happiness

clap clap
clap clap
You sing very well Was I wrong?
No one's ever clapped for me before
So does that mean there were no humans in that greenhouse you were kept in?
Yes.
Just the dolls?
Yes
Were you born there?
No
Did someone put you there?
No

I chose to be there
Take me
Somewhere far from here
Take me away
An unbreakable spell
A never-ending kiss
An endless dream
Eternal happiness
Please take me away

Ran s never
messed up a job
Someone had to
have interfered.
But for
what?
For this child?

Those soldiers who attacked us

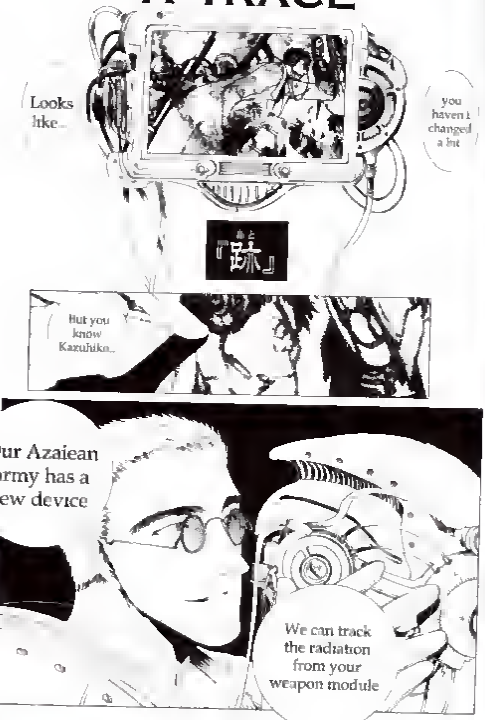
They were Azaiean army.

So it's black ops after all. Another General Ko job, eh?

So now I'm in Azaiea.

Great. Just what I need.

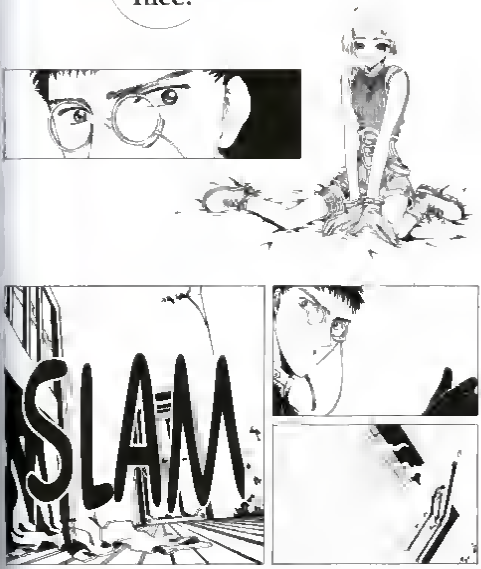
A TRACE



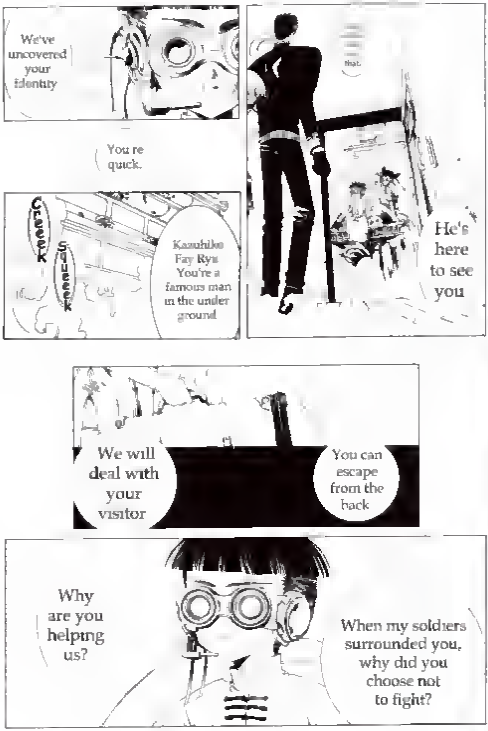
Looks like...
you haven't changed a bit
『跡』
But you know Kazuhiko...
Our Azaiean army has a new device
We can track the radiation from your weapon module

My little prince
We'll find you—
Bip

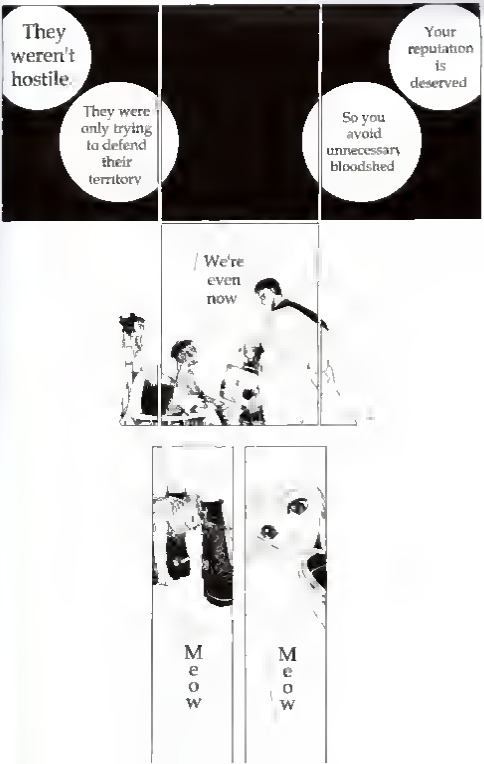
借り
A DEBT
Good morning.
You haven't slept?
I'm still on the job.
Grandma Ko said that you were a jack-of-all-trades
But this is my first courier job
And who was he
the one who transported us here?
You mean Ran?
That's Gingetsu's partner. They've been together two years



That's nice.
SLAM



We've uncovered your identity
You're quick.
Creeeek
Sssuuueeek
Kazuhiko Fay Ryu You're a famous man in the under ground
that.
He's here to see you
We will deal with your visitor
You can escape from the back
Why are you helping us?
When my soldiers surrounded you, why did you choose not to fight?

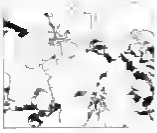


They weren't hostile.
They were only trying to defend their territory
Your reputation is deserved
So you avoid unnecessary bloodshed
We're even now
Meow
Meow

Have we said our good-byes now?
Tao Fa, please guide them out

『花』 A FLOWER

BLAM



BOOO

OOM

BOOOOOOM
Let's go.
Zzzz
Zzz
...take me... somewhere...
Take me Somewhere far from here
Take me away Please take me there

The birds sing a song
In a foreign tongue
In a place where wings
Are not enough

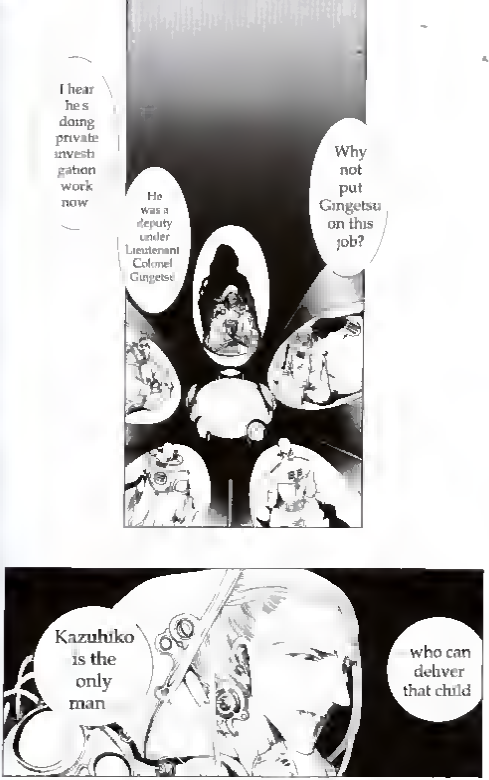
A plane
Not reachable alone

So please
Take me
Somewhere far from here

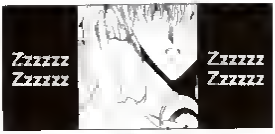
To find happiness with you

To be your happiness

The Azalean army is on the offensive.
PARLIAMENT
『議会』
No secret stays one for long Especially one so precious
Can this Kazuhiko be trusted?
He was a brilliant soldier but he was also a trouble-maker
If it were not for your testimony, he surely would have been imprisoned
Kazuhiko Fay Ryu.
Former Secret Operations Deputy Commander



I hear he's doing private investigation work now
He was a deputy under Lieutenant Colonel Gingetsu
Why not put Gingetsu on this job?
Kazuhiko is the only man
who can deliver that child

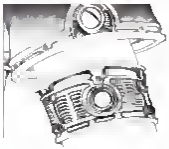


「クローバー」

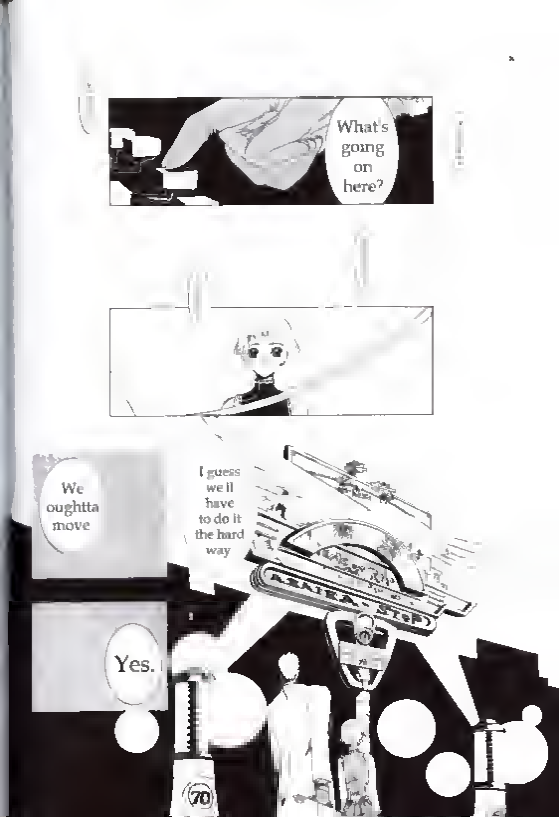
CLOVER

So there is such a thing

A TELEPHONE

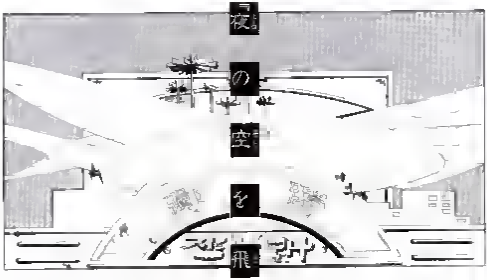


Who are you calling?



What's going on here?
We oughtta move
I guess we'll have to do it the hard way
Yes.
70

夜の空を飛ぶ翅のはえた魚



WINGED FISH THAT FLIES THROUGH THE NIGHT

Your first time riding on one of these?

Yes.

CLICK

I wish for happiness

I seek happiness

To find happiness with you

You like this song, right?

What?

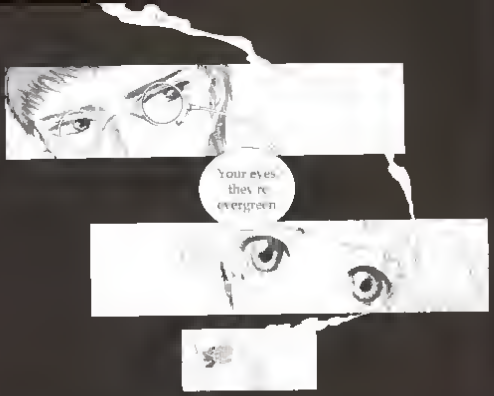
Don't you?

I'm not sure

Take me
Somewhere far from here
Take me away

The birds sing a song
In a foreign tongue
In a place where wings
Are not enough
A place
Not reachable alone

So please
Take me
Somewhere far from here



To find happiness with you
To be your happiness

Take me away

Can I ask something about you, Sir?

What for?

I want to know.

On one condition

Stop calling me "Sir."

It makes me feel like I'm in the military again

Then what should I call you?

Whatever you want.

I wish for
happiness.

Then

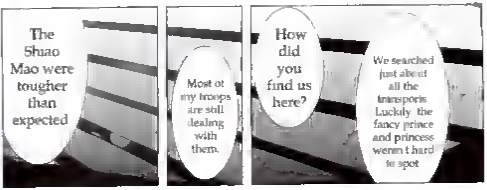
『豹』
A LEOPARD

It's been a long time, prince

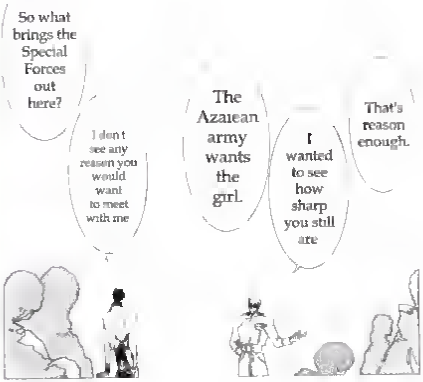
I warned you never to call me that

Bols.

Prince
I just thought it was perfect for you, so happy and gay



The Shuao Mao were tougher than expected
Most of my troops are still dealing with them.
How did you find us here?
We searched just about all the transports. Luckily the fancy prince and princess weren't hard to spot



So what brings the Special Forces out here?
I don't see any reason you would want to meet with me
The Azalean army wants the girl.
I wanted to see how sharp you still are
That's reason enough.

This girl is my responsibility

You mean the Wizards?

I'm sure the old buzzards of the parliamentary council would be thrilled to hear you call them the Wizards

I hear the old farts control most of the underground these days

So anyway, if you're itching to go one-on-one I'm ready
What's here.
Don't be an idiot. We'll find an alleyway
I don't mind if it's here
I mind.
Don't wanna hurt innocent people?
That's the prince—
—I know and love.

路地裏
ALLEYWAY
When I tell you, run toward the east
OK
No matter what happens, you run

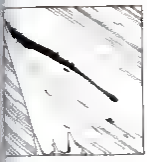
I never thought I'd get to play with you again
VOOOM
So no one wants to play with you?
VOOOM
That's because everyone hates you

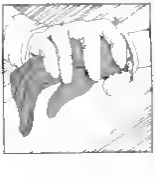
That right hand of yours

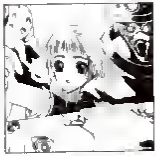
I've got it displayed in my bedroom

I go to sleep with it every night.

Doesn't that make you hard?







GGGGANK

I knew you wouldn't fight fair
I said I'd fight you one-on-one
I never said anything about the girl

BEEEM

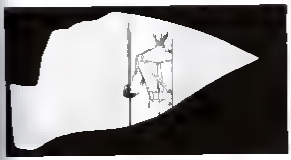
GO!
RUN!

Gingetsu?

『傷 THE SCAR 痕』

Hey..
What was I doing asleep?
Bois' sword was equipped with a shock pulse
That sadist.
So where is he?
He's retreated.
How did you find us?
Ran did.

I hate the taste of these pain-killers
Then don't take them



Why didn't you run?

I didn't want to.

Look

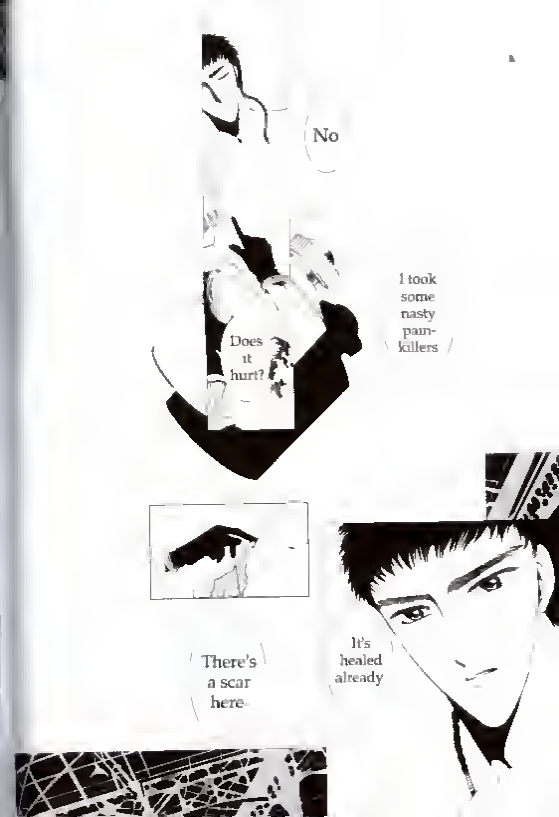
I don't know why.

But

..I didn't want to leave you.

Save that for when you fall in love

I
can't
say
that?



No
Does it hurt?
I took some nasty pain-killers
There's a scar here
It's healed already

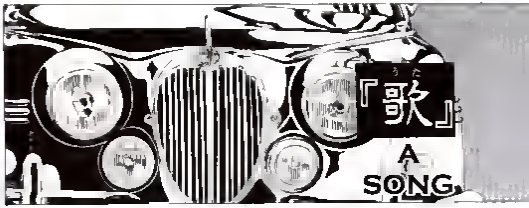
How about here?

Who
knows

I need to change
You don't want me to?
You wanna watch?
I'm shy.

What I said to you back when I was your deputy is still in effect.

Bois is monitoring all public transport routes



An explosion has occurred in the Lao Sha Hong District.

All traffic has been diverted

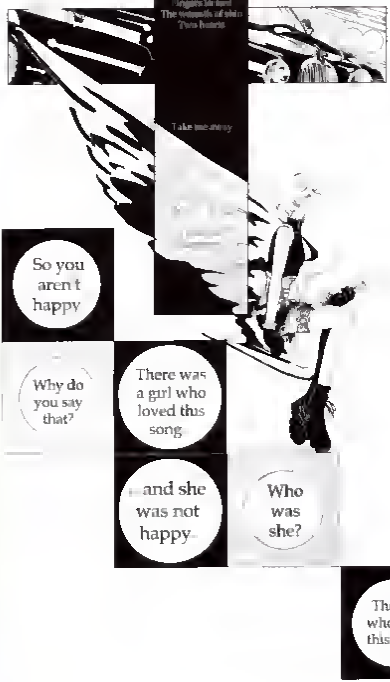
I wish for
happiness
I seek
happiness

So take me
Somewhere
far from here

I wish for
happiness
I seek
happiness

Take me
Somewhere
away from
here

Please
take me



Soaked feathers
Fingers in hell
The warmth of skin
Two hearts
Take me away
So you aren't happy
Why do you say that?
There was a girl who loved this song
...and she was not happy...
Who was she?
The one who sang this song

To find happiness with you
To be your happiness

Did you love her?
Some-thing like that.

Even now

I wish for happiness
No
She's dead.

What was her name?
Ora
I love her songs
How could you? She never made it big
But I know her
I don't want your past I seek your present
I do.

Retrace my broken future

Take me away

I'm not happy now.

I haven't arrived at my destination yet.

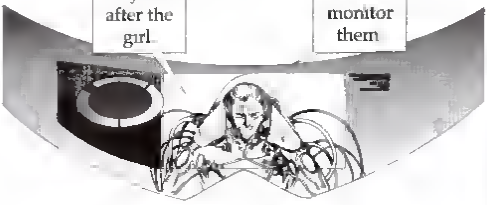
You'll be happy if you get there?
I don't know..
I wish for
happiness
..but I hope so

They've proceeded in the car I prepared for them.

NONEXISTENT

Azalean isn't the only one after the girl.

Continue to monitor them



Kazuhiko is aware.

Or your mission?

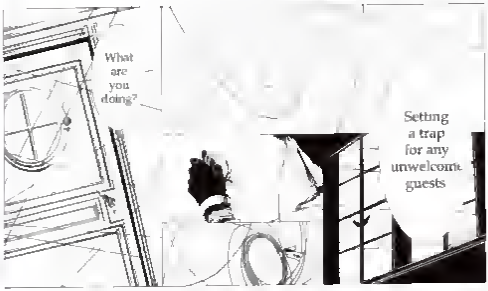
You would have helped him even if we didn't order it.

He's been a very lucky man. But I'm not sure luck will be enough this time.

He's protecting a secret of national security.

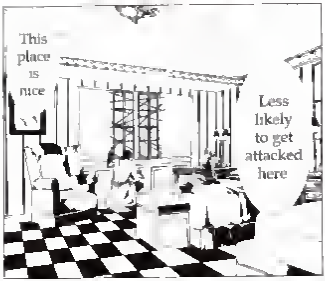
That girl's clover is even stronger than that boy you're harboring.

I never
knew it
existed
until now
A four
leaf
clover



GOODNIGHT

おやすみ



They're not after me because they like me.

Is he your friend?

Who?

The one who saved us.

The man in sun glasses.

I don't know if I'd call him a friend

Maybe an old military associate

That man...

His head...

What?

Never mind.

Anyhow we've still got a ways to go Better get some sleep now

You're not going to sleep?

Never know when someone might drop by

You're just going to stay awake?

I use stimulants when I'm working.

Don't worry

I'll stay up.

I'll keep watch

So you can sleep

Hey, hey

Thanks for the offer

Do you enjoy sleep that much?

I can forget when I'm asleep...

Forget I'm alone.

When
Ora
died,
were
you
sad?

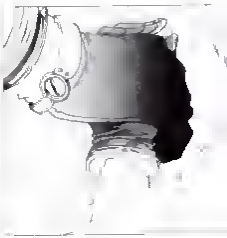
Yes

Did
you
cry?

I
don't
know

When I
die, nobody
will cry
for me

Why?



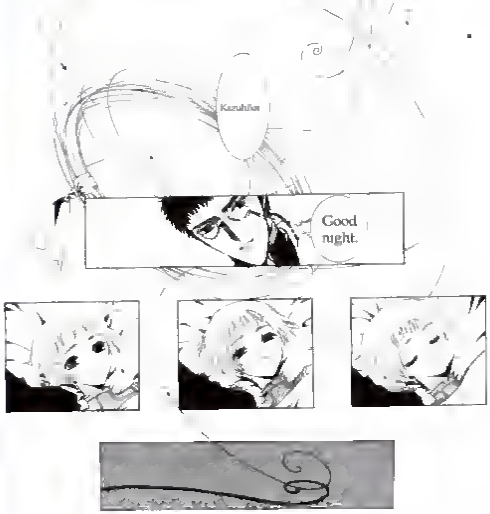
She had a very gentle voice.

She sang this at concerts often

Soaked feathers
Fingers locked
The warmth of skin
Two hearts

Take me away
I wish for happiness

I seek
happiness

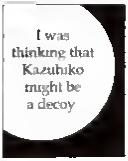


We need to get there before I run out of stimulant.

To Fairy Park

So I'm alone too...

『追跡』 PURSUIT



then it must be the real thing

Gingetsu cut me up good
That's why I hate the guy
Kazuhiko's a cute boy
I'd rather play with him
We've got a rendezvous with the prince.
Let's go

CRAASH

『羽根』

FEATHERS

Aren't you guys afraid of trashing the government's favorite hotel?

Voom
SLASH

Looks like you're all Black Ops, aren't like you
I get it now
Whatever happens here you'll just cover it up
Kazuhiko!
